

PROPOSAL FOR THE CORNISH LIBRARY AND COMMUNITY CENTER

The Town of Cornish has the opportunity to build the Cornish Library and Community Center from the renovated General Store building.

Features of this proposal include:

- More space for community functions;
- A dedicated area for children and families;
- A tech area for public computers and WiFi;
- Convenient parking with ADA compliant access;
- and, a community hub at the Cornish Flat.

If the project is endorsed by the Community, CCI will commence a capital campaign for the building renovations.
