Construction Continues!

- Construction of the new Library & Community Center is on target to be completed in early December 2026. In the last two months we've worked on exterior framing, rough electrical, slab fills, duct work, rough plumbing, and demolition. We have passed the following inspections:
 - Basement footings & precast piers, rebar and vapor barrier detailing – NH Fire Marshal
 - Interior slab trench rebar and vapor barrier – NH Fire Marshal
 - Underground (concrete embedded) plumbing – H2O pressure test – NH Fire Marshal
 - Kitchen trench infill – rebar and vapor barrier detailing – NH State Fire Marshal
- We will be selecting the solar company in February.

Special thanks to Building Committee members (Keith Mullane, Peter and Caroline Storrs, Peter MacLeay, Laura Cousineau) who continue to work closely with Construction Manager Spiros Tzilianos of Trumbull-Nelson, architect Ingrid Nichols of Banwell Architects, and Adam Morse of Engineering Ventures.

Holiday Caroling Success & Puzzle Swap News!

The CCI hosted a community caroling event on December 14, led by Corey Fitch. Refreshments and a beautifully lit Christmas tree adorned the green in the flat, and 35 participants of all ages enjoyed a fun, but chilly sing along. In January, the annual CCI Puzzle Swap took place at the Fire Station to

Cabin Fever Coffee House – Jason Cann & Jeff Davis of Harpoon Brewery fame graced the stage on January 24 at the Town Hall. Refreshments were provided, and a beautiful art display of wood carvings by Steven

Cutter was a big hit with concert goers – dancing even happened to keep us warm - a very chilly night! **Next Up:** Saturday, February 28 - Jordan Tirrell-Wysocki & Dan Faiella.

None of this would be possible without the incredible generosity, skills, and support shared by so many in our community. Over the next 12 months, you'll witness the transformation as construction progresses.
